MEMORANDUM FOR : Deputy Director (Plans)

SUBJECT : Review and Recommendations on
CIA Air Activities

1. Attached is a review of CIA air activities along with appropriate documents required to merge the Development Projects Staff, the Air Division, the Air Maintenance and Support Division of the Office of Logistics, and the air portions of the Far East Division into one unit under the DD/P, to be designated as the Development Projects Division.

2. The study and its recommendations have been coordinated with the Air Division, the Office of Logistics, the Far East Division, and the DPS. Changes suggested have either been resolved or incorporated into the completed staff paper. Agreement has been reached on personnel by name from the Air Division, the Office of Logistics, and FE, who will be part of the merged organization.

3. It is recommended that you:

a. Approve the study and its recommendations and sign the proposed memorandum to the Director.

b. Approve and forward to the Director for his signature the proposed directive to the appropriate CIA heads.

c. Approve and sign the letter of instructions to chief of survey team.

d. Transmit all of the appropriate documents to the overseas Chiefs of Stations concerned by means of personal letters over your signature.
